---

### Content

The course seeks for students to explore and acquire familiarity with the methods of contemporary art and the ability to place these in relation with design methodology for product design (clothing and fashion) through creative exercises using different methods. On successful completion of the course, students at basic level will be able to. The main content of the course is as follow:

- Art theory in contemporary art
- Methodology in contemporary art
- The historical development of contemporary art
- Production of own exploratory design work applying the selected method

### Learning Outcomes

After completing and passing the course, students should be able to:

1. demonstrate knowledge and an understanding of the methods, theory and production of contemporary art,
2. identify links between contemporary art and fashion design,
3. provide a general description of distinctive features and trends in the history of art from the twentieth century onwards,
4. give an account of some of the central concepts of art theory in contemporary art,
5. demonstrate that they have carried out searches for information,
6. apply the methods of the selected artist and produce their own artistic work based on these,
7. self-assess their creative process and artistic development.

### Forms of Teaching

Lectures, literature studies, supervision and seminars

The language of instruction is English.

### Forms of Examination

The course will be examined through the following examination elements:

- Documented independent creative work (Learning outcomes 1-7) 7,5 credits Grading scale: Fail (U)/Pass (G)

Student rights and obligations at examination are in accordance with guidelines and rules for the University of Borås.
