

Fashion Retail Marketing

Fashion Retail Marketing

7.5 credits

7.5 högskolepoäng

Ladok Code: 52FR01

Version: 3.0

Established by: The Teaching Committee 2014-08-26

Valid from: Autumn 2014

Education Cycle: Second cycle

Main Field of Study (Progressive Specialisation): Fashion Management (A1N)

Disciplinary Domain: Social sciences

Prerequisites: Bachelor's Degree in Textile Technology, Textile Economics, Engineering, Management, Economics, Media or Design, and verified knowledge of English corresponding to English B in the Swedish Upper Secondary School or equivalent knowledge.

Subject Area: Leadership, Organisation and Management

Grading Scale: ECTS-credits

Content

Students will gain an insight into and analyse fashion stores' development, from the first department stores, such as Bloomingdales, to contemporary online retailers. The areas covered include everything from luxury brands to subcultures. Through applied seminars, students will be taught to convert the theories learnt on the course to actual cases.

Learning Outcomes

After completing and passing the course, students should be able to:

- Analyse trends and plan for buying in collections, plan sales and measure outcomes and service.
- Describe the basic principles of fashion retail and to put this in a sustainability perspective.
- Apply methods for brand communication in different sales channels.

Forms of Teaching

Teaching consists of independent work, lectures and practical exercises. Teaching

is conducted in English.

Forms of Examination

The following examinations will form part of this course with respect to the stated learning objectives:

- Project work and verbal account, 3.0 credits Grading scale: EC
- Individual knowledge test 4.5 credits Grading scale: EC

Grading scale: EC, i.e. the course, is assessed using the grades A, B, C, D, E, Fx or F (ECTS grading scale).

Grades are based on the Individual knowledge test.

Student rights and obligations at examination are in accordance with guidelines and rules for the University of Borås.
