

Design Project - Specialisation Project Designprojekt - ansökningsprojekt

7.5 credits

7.5 högskolepoäng

Ladok Code: AX2DA1

Version: 2.0

Established by: Artistic Research and Education Board 2018-06-13

Valid from: Autumn 2018

Education Cycle: Second cycle

Main Field of Study (Progressive Specialisation): Textile and Fashion Design (A1N)

Disciplinary Domain: Design

Prerequisites: Bachelors degree in Design, 180 credits, or equivalent.

Subject Area: Design

Grading Scale: Fail (U) or Pass (G)

Content

The course aims to prepare, develop, determine and initially exemplify a design programme. The course also aims to develop the ability to document and justify design work. The main content of the course is as follows:

- Planning and development of a design programme
- Experimental design work

Learning Outcomes

On completion of the course, students will be able to:

1. develop and initially determine and exemplify a design programme based on their own selected project brief (What),
2. develop and initially reflect on methods and working processes with reference to the planning and determination of a design programme (How),
3. present, justify and critically discuss their own proposed design programme (Why).

Forms of Teaching

The teaching takes the form of seminars, workshops, individual supervision and experiments. Teaching will take place through the medium of English.

The language of instruction is English.

Forms of Examination

The course will be examined through the following examination elements:

Independent design work (Learning outcomes 1,2) 4,5 credits Grading scale: Fail (U)/Pass (G)

Seminars (Learning outcomes 3) 0.5 credits Grading scale: Fail (U)/Pass (G)

Documented presentation of and reflection on starting points, working methods and results (Learning outcomes 1-3) 2.5 credits
Grading scale: Fail (U)/Pass (G)

The examination consists of the analysis, presentation and discussion of a design programme in the form of the three examination elements.

Student rights and obligations at examination are in accordance with guidelines and rules for the University of Borås.
