**Grading Scale:** Fail (U) or Pass (G)

---

### **Content**

- Material collection, adapting of reference material and design ideas, conceptualisation, design development and composition.
- Sketching techniques, textile and fashion plate design.
- Artistic design experiments.
- Presentation techniques.

### **Learning Outcomes**

On completing the course, the student is expected to be able to, through projects and practical application, establish design programmes and

design methods. At a basic level, the student is also expected to be able to:

- demonstrate advanced skills in design ability in textile and/or fashion design.
- demonstrate advanced ability in independently running and implementing design projects.

### **Forms of Teaching**

- Supervision
- Project work

The teaching language is Swedish. However, the teaching could be carried out in English should the person responsible for the course so decide.

### **Forms of Examination**

Assessment of visual and oral presentation of project work with regard to stated goals.

Student rights and obligations at examination are in accordance with guidelines and rules for the University of Borås.

### **Literature and Other Teaching Materials**

**Regular literature list**

**Student Influence and Evaluation**

In general, refer to the university's policy for course evaluations and documents issued by the department board, director of studies and course coordinator.

**Miscellaneous**

The course is primarily a programme course for the Masters Programme in Fashion and Textile Design.

This syllabus is a translation from the Swedish original.
